CAUGHT A TARTAR.

to out the Union party from their Who comes next? natural position, and they themselves get bold of the reins. It was something of a summersault for a party who denounced him as a demagogue and tyrant during his career in Ten nessee, and who added to these all earts of epithets when he hung Mrs Burrait and the assassins of the President, but the hope of grasping through him a portion of the offices show to the inconsistency of their course, and they committed them selves folly and fairly to his support.

Andrew is making this new Jor day a hard road for them to travel -He wont be a Locofoco-he persist ently refuses to Copperheadize him sel' on any terms.

A few days since he addressed a segment of "nigger" soldiers, and cleet, has been appointed to that of and many pretty things on that oc- fice by Gov. Anderson, to fill the vably it wasn't best to ask the right to of N. C. Olds. favor of giving them that privilege. In a recent conversation with a Conmesticut man, he said the Democracy was back in Tennessee, he should urge negro suffrage, especially for new fed by the Government. all who had served in the army and who could read and write.

dorse Johnson, we shall accuse them school in Burlington, New Jersey. of being the nigger suffrage party, and the ones in favor of hanging such innocents as Mrs. Surratt and to. States, our renders are acquaint- son. Champ Ferguson.

President.

President Johnson, in his speech to the colored troops at Washington, which once belonged to Washington. which we publish on our first page, It is highly ornamented, the edge ways: "This is your country as well having melosed in wreaths the names as any body else's country He alof fifteen States—the thirteen original, with Kentucky and Vermont. In the center surrounded with a halo, "iny countrymen," and futher talks to them about "taking position as and underlined by the motto "Decus of the people should not be taxed to pay a debt to aid in carrying on a countrymen," and asks them whether they was this relic is interesting on an entire the countrymen, and futher talks and underlined by the motto "Decus of the people should not be taxed to pay a debt to aid in carrying on an and get the Highest Market Price. "will not give evidence to the world that they are capable and competent was broken in two pieces, and sinso govern themselves," concluding gularly enough, the fracture divided with the unqualified declaration -- the rebel from the loyal States! The "That is what you will have to do."

What will those who bluster about "n white man's party" and "a white man's Government," and who, at the name time, pretend to indorse the President, say to this? We should be glad to hear an expression of opin-ton from them, but recreant Dem. in Chester, which was administered North Carolina shall be experted. ion from them, but recreant Democracy, is scrupulously silent in regard to his speech.

## THE PRESIDEET'S SPEECH TO THE NEGROES.

spoke of them as his "countrymen," land. terms which the Copperheads cannot Last Friday morning Col. W. B. swallow. It is pretty clear that if Gow, Col. Butterfield, and Rev. T. J.

MOVING ONWARD,

The mechanics and laborers of Charleston, S. C., neld a mass convention on the 16th inst., for the pur pose of exchanging van and opin-tion in regard to the Fenian move-ions on the subject of the labor, and ments. tion in regard to the Fenian and production of the labor, and to devise ways and means for the protection of the laboring classes.—An address was adopted as containing the riews of the convention, expressing the belief that the war had been beneficial to the working class been beneficial to the working class beand made labor respectable. It says that labor has never been considered as degrading except where allowed and institution, or in communities of privileged classes, littreats at great length the [ruinous to manufacture] to main and institution of slavery with white labor in the past, and concludes as follows:

The remain and the fenian and the fenian and the fenian and the fenian and the content of the server of the Probate of the standard were destroyed; searcely a tree was left standing and it is believed that many vessels on the 2sh day of september, 4. D., 1805. In the case of Jun Seothern, guarding of the court for lattect country, of lattect country, and it is believed that many vessels on the 2sh day of september. A D., 1805. In the case of Jun Seothern, guarding fits were stranded or sunk.

A melancholy affair occurred in British Guinan on the 19th of last month. A party of several gentle-to visit the settlement of the Probate of court. House, in Hanceck country, offer at month. A party of several gentle-to visit the settlement of the except where valid in military affairs; changes in the degradation of the country of several gentle-to valid in military affairs; changes in the degradation of the country of the except which were destroyed; at the destroy-the search of the country of several gentle-to valid in military affairs; changes in the case of the probate were stranded or sunk.

Brown the tree for years, but occur at it is believed that many vessels may it is believed that m

preducing that strength and prosper-ity that in the fature will be our pro-tretties and sateguard."

Truff, the world moves.

NORTH CAROLINA. e State convention of North Carolina, which has been in session

for several days past at Raleigh nade quite an advance towards re construction. The war debt was readdiated by a large vote-the right of secession was depied, and, as being necessary to re-construction, slavery vas abolished.

North Carolina has now taken steps that cannot be retraced and adopted measures which will meet Latterly the Copperheads have the ready and hearty co-operation of draing by a process of honey fugling and the approval of the entire North. able to do so a year ago.
